

Ardeo Mediterranean Taverna

The original! It is here that the theme of Ardeo, and the true passion of the Cape's premier Mediterranean Taverna, was born. Ardeo in Union Station Plaza offers diners a stylish atmosphere in a comfortable setting. After opening in 2001, it quickly became the neighborhood restaurant where locals frequent for lunch, dinner, and takeout; the latter of which is complemented by a complete retail counter. This location is perfect for groups of 100 people or cocktail parties.

Ardeo On Main

Sleek, chic, and modern! Ardeo on Main was designed to combine the feel of Ardeo in a city-like ambiance. The interior is dressed with modern artwork, wall murals, and chic fixtures, giving it the mood of a true Mediterranean bistro. New as of Summer 2006, this second location of the Ardeo family has already become a local's hot spot. It continues the Ardeo theme of exceeding expectations with dining value, while upping the action with an urban emphasis. This location is perfect for groups up to 50 or cocktail party of up to 100.

Ardeo Grille at Kings Way

Opened in the summer of 2006, the Ardeo Grille at Kings Way is a classic Mediterranean Grille. The Jamiel Family is proud to be a part of the Kings Way community with the addition of its third Ardeo location. By combining the country club setting with familiar Ardeo accents, the Grille at Kings Way is a true countryside restaurant. Diner's can choose to enjoy the main dining room in a traditional setting, or catch a sunset on the deck overlooking the golf course. This location is perfect for groups from 25-150.

Tuscan Tavern - Brewster

The Tuscan Tavern, located in Brewster, is the 4th addition to Ardeo. This unique tavern offers patrons an intimate setting with the same great Mediterranean cuisine you've come to expect from Ardeo. This is an ideal location for groups from 10-100.
